DESCRIPTION OF THE STATION

Vall de Núria is a family and cosy ski resort, equipped with all the necessary services to offer comfort to visitors. Located in the Eastern Pyrenees at 2,000 m. of altitude, surrounded by peaks that mark the 3,000 m. and that frame a broad amphitheatre of slopes that make up a privileged landscape. The only access road to Vall de Núria is done by means of the rack railway that leaves Ribes de Freser and makes a 12.5 km trip, exceeding a level of 1,000 m. in 40 minutes. The exceptional views offered by the route are a small breakthrough in the beauty, tranquillity and harmony with the nature that, at the end of the trip, we will find in the valley. The Vall de Núria Mountain Station has implemented an environmental management system in all its areas and activities, in accordance with the requirements of the UNE EN ISO 14001 standard. It has also been implemented in the ski resort of Vall de Núria, which has 11 tracks for the practice of alpine skiing. The ski resort also has the "Q" of quality, which is awarded by the Institute for Spanish Tourist Quality.

SERVICES AT THE STATION

Hotel Vall de Núria *** has 59 rooms and 10 apartments in the "Sant Gil" building and 10 family rooms and 10 duplex apartments in the "Sant Josep" building. It has been the winner of the GREENBUILDING Sustainability Award by the EU and it has been designed with maximum qualification criteria (type A) in energy efficiency, which ensures the best savings and energy optimization in all facilities.

Other services located in Vall de Núria are: Youth Hostel "Pic de l'Àliga", Bar "Finestrelles", Restaurant "Cabana dels Pastors", Self-service, Ski equipment rental, Ski school, Information Office and Reservations Center, Vall de Núria shop (souvenirs, clothing and food), 24-hour Medical Service, Games room (billiards, table football and table tennis), Children's Park (tubby, sledge ...), Playroom "Cau de la Marmota" (free for the hotel and apartments guests), lockers, Vall de Núria video screenings, exhibitions, mountain guides.

SERVICES IN THE AREA
